BUILD AMERICA BUY AMERICA & BUY AMERICAN ACTS CONFORMANCE STATEMENT

To Whom It May Concern,

Lighting or U.S. Architectural luminaires and poles, are manufactured in the United States, from materials produced substantially in the United States and as such meet the requirements of 41 U.S 8300 et.seq., commonly known as the Buy-American Act.

Transportation Agency, covered under 49 USC 5323(j) and 49 CFR 661, including clarification through February 2023 by the Office of Management and Budget (OMB), including manufactured items made in the U.S.A. that also meet the cost of components test.

In addition, all U.S. Pole luminaires, arms, bases and aluminum poles meet the "Build America Buy America" requirements of the Federal Infrastructure Investment and Jobs Act of 2021 (IIJA).

No waivers are required for use of our luminaires and aluminum poles on any project requiring waivers to comply with the Build America Buy America or Buy American acts.

If you should need further information or services, please contact our customer service department or your Sales Representative.
