

TRADITIONAL STYLED BASE

100 Split Base Series

Base

Two piece wraparound, corrosion resistant, durable cast aluminum construction. Minimum .225 wall thickness. Base consists of a smooth, stepped bottom section with decorative rosette and contoured flush Hand Hole. Top section consists of decorative fluted section with evenly spaced, highly detailed raised vertical flutes. Hand Hole Cover supplied with tamper resistant hardware.

Finish

Super TGIC polyester powder coating is applied onto a metal substrate this has been pretreated with a four-stage process for maximum adhesion and color retention. The top coat is baked at 400° F for maximum hardness and exterior durability.
